22 January 2014

Constellation Healthcare Technologies, Inc.
("Constellation Healthcare Technologies" or the "Company")

Trading Update

Constellation Healthcare Technologies, the healthcare services organisation, is pleased to provide the following trading update for the year to 31 December 2014.

The Company was successfully admitted to trading on the AIM Market of the London Stock Exchange on 8 December 2014, raising approximately £9.6 million. The Company expects to report revenue and EBITDA marginally ahead of management expectations for the year ended 31 December 2014.

Paul Parmar, Chief Executive Officer of Constellation Healthcare Technologies, said:

"During 2014 Constellation Healthcare Technologies made good progress on its strategy of building its client base, driving operational efficiencies and pursuing acquisition opportunities. We are delivering on the promises we set out at the time of the IPO and look forward to updating shareholders at our full year results."
